Making food-to-go easy

cossiga to go!

We specialise in creating stages for your high-margin in-store theatre.

“ Lines between restaurants and grocery retailers are blurring, and more C-stores are adding food-service concepts to their offering. ”

WHAT OUR CUSTOMERS SAY

“Cossiga does a great job at always keeping the pace on any of our Australian large-scale rollouts”

Making food-to-go easy

EASIER *for you*

As FTG sector specialists, we fully understand your needs of optimising space and being ready for quick change-overs. Cossiga user-centered design keeps functionality and ease-of-use in mind at all times.

BETTER *visibility*

It is all about how great food looks. Simply put, great looking food means better business! Our cabinets are designed to offer the best stage for your in-store theatre.

FASTER *for them*

Your time-poor customers expect quality healthy food, fast! Our modular and easily-accessible cabinets offer ease and speed when choosing and self-serving food.

GREATER *margin*

Retailers are making the most out of the fast-growing, high-margin FTG category. At Cossiga, we can help you seize this opportunity. No job is too big or too small and we are always roll-out ready to deliver on time and on budget!
